PLASTIC FOR GREAT PARTNERS

Consistent and Ongoing Materials

All materials listed below are available to us on an on-going basis. We can offer them in quantities ranging from 1,000 to 20,000lbs and in some cases up to truckload quantities but please check for availability on truckload quantities.

Some of these resins may have a two week lead time, so please consider this when ordering.

Independent Plastic is not an authorized distributor for any plastic resin manufacturer.
